Waivers Info

🖼️ **Stage Validation Document** ⤢

When we updated the Invoices the values are reflected by creating new subcription id in the stripe, But the if i change the due date automatically the service end also changed along with the due date. In the same way if we update the amont as 0.00 then in the stripe still it is in trail ends on <due date>.

☐ I agree with the Star waiver, refund and code of conduct policies.
